Sponsorship and Exhibition Brochure

Event

INTERSPEECH 2007 is the eighth conference in the annual series of INTERSPEECH events and also the tenth biennial EUROSPEECH conference. It is jointly organized by partners from the Netherlands and Belgium and it will be held in Antwerp, Belgium, from August 27-31, 2007, under the sponsorship of the International Speech Communication Association (ISCA).

Venue

INTERSPEECH 2007 will take place in the Flanders Congress and Concert Centre (FCCC) in the heart of Antwerp, near the Antwerp Zoo and Antwerp Central Station. Antwerp is the city of Rubens, a renowned world diamond center and one of the largest European harbors. It is a midsize town with a lively, well preserved, medieval center small enough to maintain a cozy atmosphere. Antwerp is easily reachable from the airport of Brussels and through a high speed train link also from the airports of Amsterdam and Paris.

Contents

INTERSPEECH 2007 will cover all aspects of speech science and technology. The conference will include plenary talks by internationally renowned experts, [tutorials](#), exhibits, [special sessions](#), and parallel oral and poster sessions. INTERSPEECH 2007 will host an audience in excess of 1000 participants, drawn from academic and industrial organisations across the world.

Flexible promotional opportunities

For the success of INTERSPEECH 2007, we welcome all kinds of sponsorship from the interested companies and institutions in this field. Please join the sponsorship to provide you with a powerful and meaningful communication tool for your company, products and services.

A number of packages have been tailored to appeal to a wide variety of marketing objectives, as described below. However, there are other ways in which your organization can contribute, in particular there are opportunities to sponsor tutorial sessions and keynote speakers. If you are interested in this, or if there are still other ways in which your organization would like to be involved, we would welcome the opportunity to discuss these with you, and encourage your creative ideas.
